

ABOUT THE ARTIST

André Mendes da Costa was born and raised in New Zealand. His musical voyage began with piano tuition from the age of seven which led to numerous prize-winning performances in local and regional competitions throughout his school years.

André's professional journey began when at a young age he would perform as a store demonstrator of electronic organs and keyboards in his hometown of Thames. At the age of 17 he performed at the opening of Wellington's prestigious Piano House. For more than 20 years André has performed as a solo artist and as keyboard player and vocalist with bands in New Zealand and Australia, and as guest and resident pianists in a number of popular restaurants.

Now based in the Wairarapa, André is an experienced and versatile performer who is available for hire for most functions where live piano background music is appreciated. If a quality piano is not available at your chosen venue, Andre can supply a quality digital piano for the occasion.

In addition to his professional services as a pianist, André performs as keyboard player and vocalist with Masterton function band *That's Debatable*.
